WE HELP *WORKING ATHLETES* PRESERVE THEIR HEALTH AND CONFIDENCE IN THE FIELD, SO THAT THEY – AND THEIR EMPLOYERS – CAN ENJOY LONG TERM SUCCESS.

OSHA Lost Time Injury Trends per Year of Program Use

4 Year Program Return-On-Investment \$1,116,000

"I really don't know what I would have done without InSite Health helping me through some ankle pain. I do know though, that I would have had to miss many hours from work had they not been so good at their job, or if I would have had to go somewhere off site. InSite Health provide an excellent service and saves my employer a lot of money."
